On the Registration form there is a section that asks about insurance. If you answer NO, the system will automatically add an "Affidavit of No Insurance form" that you must complete and sign in order for the provider to get reimbursed with CARES Act Funding.

If you have health insurance, your health plan is required to pay for approved COVID-19 tests. Insurance companies cannot bill individuals or charge any co-payments for COVID-19 tests.

You must upload a copy of your insurance card or other proof of insurance using the **UPLOAD DOCUMENTS** button at the bottom of your home screen. You can take a photo of both sides with your mobile device and upload both images following the prompts.

In addition to filling out your ID information, the **UPLOAD DOCUMENTS** section will prompt you to upload a copy of your ID (front and back). You can do so using your mobile device and upload a photo.

If you answer YES, then fill out the insurance information required, and the **UPLOAD DOCUMENTS** will also prompt you to upload your insurance card (front & back). You can do so using your mobile device and upload a photo using your camera or selecting the photos from your phone.
